

CLASS : III

MONTH	CHAPTER	EXPECTED LEARNING OUTCOMES	PEDAGOGICAL APPROACH (TEACHING METHODS/ STRATEGIES)	ASSESSMENT TOOLS	RUBRICS	ART INTEGRATION	ICT INTEGRATION
APRIL	The Earth Our Home	Children will learn about the solar system, shape and size of the Earth, Earth's surface, sky and the horizon, coast.	Interactive constructive approach	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	Children will make 3D model of the solar system using waste material	VIDEO - https://youtu.be/ArFBK_o-sHM?si=zsJG
	How our Earth looks	Children will learn about Globe, maps and oceans, Directions	constructive approach	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management	Children will make a model of compass using cardboard.	VIDEO- https://youtu.be/6bsAG2F3s2I?si=uBVzvBNrRVnLxv6K
JULY	Our Country India	Students will learn about physical divisions of India, mountains, Northern Plains, coastal plains, plateaus, desert, Peninsula, Islands and our climate.	collaborative approach	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	Map activity	PPT
	Water- Our Precious Resource	Will learn about water. Water bodies around us, where to store water?, water pollution	Reading, key words, worksheets	Worksheet	Relevant to the topic, presentation, clarity and time management.	Make a sketch Design poster of encouraging water conservation	VIDEO- https://youtu.be/t-R6pAHgP5k?si=UYkY9nRE6CWs7eER

AUGUST	Family -The Foundation	Students will learn about family , relationship in the family, daily practices,	Interactive constructive approach Reading, key words, worksheets	Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and relationship.	Children will draw family tree in the notebook	PPT
	Food We Eat	Students will learn about food grains, pulses, foods and vegetables, types of food	Interactive constructive approach +	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management	Children will prepare a diet chart using different type of nutrients	VIDEO- https://youtu.be/6bsAG2F3s2 ?si=Yo1wavq6sLh97qG
FIRST PERIODIC ASSESSMENT							
SEPTEMBER	.Indian Dresses	Students will learn about different types of dresses , men's dresses , women's dresses	Interactive constructive approach + Reading, key word ,worksheets	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management	Presentation of the traditional dresses of different Indian states and will speak few lines about their attire.	VIDEO- https://youtu.be/6bsAG2F3s2 ?si=xXftT_AAx0V-a7lw
	.Our Festivals	Students will learn importance of festivals, national festivals, religious festivals ,harvest festivals	Inquiry base approach Reading, key words ,worksheets	Worksheet Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management	students will paste pictures of different festivals in notebook	VIDEO- https://youtu.be/RJ7r6lws7Nk?si=ERqRkDaOSoH5lHKE

MID TERM ASSESSMENT

OCTOBER	Semester-2 .Means of Transport	Students will learn about means of transport, land transport, air transport and water transport .	Interactive + constructive approach	Worksheets Notebooks Activities(dictat ion, revision test)	Relevant to the topic, presentation, clarity and time management.	Paste the pictures of different means of transport with their advantages.	VIDEO- https://youtu.be/fvfkFxG5fqI?si=KutbcFbhC20Ndp
	Means of Communicati on	Students will learn about means of communication, meaningof communication, typesofCommunicati n in the modern.	Interactive constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	children will make a clay model of their choice, selecting one of the means of communicati on and will speak 5 lines on it.	VIDEO - https://youtu.be/NEG5NnLqIno?si=FujDWNzTLvKHBkc
NOVEMBER	Occupations	Students will learn about the different occupations	Interactive constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	Conduct a role play on different occupations	VIDEO - https://youtu.be/DPdZ2ACDGOo?si=NfuVUZ-b3omCwQpL
	People Who Help Us.	Students will learn about the role of a postman, the role of a doctor ,the role of a teacher ,the role of a policeman.	Interactive constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	students will make a chart on community helpers	VIDEO- https://youtu.be/LT9FalhRV2s?si=l8EYXM_e32xF0jtK

SECOND PERIODIC ASSESSMENT							
DECEMBER	Local Institutions And Their Roles	Students will learn about the functions of family and school, occupation in the family	Interactive + constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities(dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	Draw the symbols or values to represent the values learn in school and family	PPT
	Diversity	Students will learn about Delhi, Mumbai, Chennai Kolkata	Interactive+ constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities(dictation revision test)	Relevant to the topic, presentation, clarity and time management.	.prepare a poster on major cities of India	VIDEO- https://youtu.be/3UeEnizUk94?si=J16o2i9fgN30ElozS
JANURARY 27	Life of Early Humans	Students will learn about discovery of fire, how early human learnt farming and discovery of metals	Interactive constructive approach Reading, key words, worksheets	Worksheets Notebooks Activities(dictation revision test)	Relevant to the topic, presentation, clarity and time management.	Hands on activity by rubbing two stones and by using seeds	PPT
	Houses Then and Now	Students will learn about houses Then and Now, materials used for , different types of houses	Interactive constructive approach Reading, key words ,worksheets	Worksheets Notebooks Activities (dictation, revision test)	Relevant to the topic, presentation, clarity and time management.	Make a model of your favourite house with the help of clay	VIDEO- https://youtu.be/VgX9vhaOZho?si=vlMWb5oOwnIBGKYG

CLASS : IV

MONTH	CHAPTER	EXPECTED LEARNING OUTCOMES	PEDAGOGICAL APPROACH (TEACHING METHODS/ STRATEGIES)	ASSESSMENT TOOLS	RUBRICS	ART INTEGRATION	ICT INTEGRATION
APRIL	Family Connection	.Student will learn about types of families, daily routines, nurturing growth together	Interactive constructive Fun Reading ,learning spelling, word meanings, worksheets. Story telling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Draw a family tree and write favourite thing about each member of family	Video - https://youtu.be/SzbES1MKguA?si=pOL8B0jtPICK9Jja
	.Physical Features of India	. Students can explain the location of India, Neighboring countries of India and physical features and physical divisions of India	Interactive +constructive +FunReading, learning spelling, Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Students will draw the political map of India and shade Himalayan states and their capital.	VIDEO- https://youtu.be/awOes4OM5U?si=MXLs9-HdliRb8TSC
JULY	The Northern Mountains	The students can explain the extent of Himalayan ranges, Himadri, Himachal and Shivalik hills, importance of Himalayas who live in Himalayan ranges	Interactive +constructive +Fun Reading, Learning spelling, Word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, Revision tests).	Involvement Interactive Constructive Creative Neatness	Students will draw beautiful scenery having snow mountains	PPT

	The Northern Plains	Students can explain Location of the northern Plains ,divisions of Northern plains and Northern states of India.	Interactive +constructive+ FunReading, learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks 3)Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Student will paste the pictures of historical monuments in the northern plains	VIDEO- https://youtu.be/_awOes4OM5U?si=Vf3E3mq0pclidKqZ
AUGUST	.The Great Indian Desert	. The students can explain the Thar desert or The Great Indian desert, climate, vegetation, irrigation system, life of people in desert and places of tourist attraction.	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Paste the pictures of different kinds of thorny shrubs or make a model of an oasis	PPT
	The Southern Plateau	They will learn about the location of southern plateaus, states that lie in the plateau region and life of people in these states.	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Collect pictures of famous temples located in the southern plateaus and stick in notebook	VIDEO- https://youtu.be/gzFSLuVf8Ng?si=6Fo6T0zjKRx2kOir
FIRST PERIODIC ASSESSMENT							
SEPTEMBER	The Coastal Plains and Islands	Students will learn about the coastal plains, western and eastern coastal plains, islands, States and union territories in the region and life of the people there.	Interactive +constructive +Fun Reading, learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Make a colourful project on the national parks and wild life sanctuaries of the coastal plains	VIDEO- https://youtu.be/76ZtOOof5ltE?si=t8CVanTGEa37cKBD

	The Climate of India.	. Students will also get to know about the difference between climate and weather and the three main seasons of India: summer, winter and monsoon.	Interactive +constructive +Fun Reading, learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Make a list of vegetables and fruits which are available in summer and winter seasons. Paste their pictures on chart paper as well.	PPT
	MID TERM ASSESSMENT						
OCTOBER	Forest and Wildlife of India.	They will also learn about the types of forests in India, importance of forests, wildlife in India and conservation of forests and wildlife.	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Make a nature album .Collect and paste pictures of different varieties of animals, birds and trees.	VIDEO- https://youtu.be/Og_jVtcAVV4?si=1SbLZ4WqXOMDD-5k
	Soil	The students will learn about the formation of soil, types of soil, soil erosion and soil conservation.	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests)	Involvement Interactive Constructive Creative Neatness	Collect the samples of soils, found in your area, in small packets. Attach it..	PPT

	Our Water Resources	Students will get to know about the importance of water, sources of irrigation, multipurpose projects in India and water pollution.	Interactive +constructive+ Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Children will make a pamphlet on water conservation.	PPT
NOVEMBER	Semester -2 Art Architecture and Culture	They will also learn about dance and music, painting and architecture, languages spoken in India ,dresses worn by . People in India and the festivals celebrated in India	Interactive +constructive +Fun Reading, learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Make a collage of important classical and folk dances of India. Write a few lines about it.	Video- https://youtu.be/vmkqsL0zt9Y?si=9sPyLX2iwEpNgob3
	.Means of Transport	. They will also learn about the means of transport and the types of transport	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	. Students will be asked to find out why it is important to wear safety belts in cars and aeroplanes	PPT

	Means of Communication.	Students will understand personal means of communication and mass communication	Interactive +constructive +Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	. Students will make a model of a letter box, using cardboard	Video- https://youtu.be/Z8QxVUGCsoc?si=cC_HPFGd2IkR6cWg
DECEMBER	SECOND PERIODIC ASSESSMENT						
	Reaching Places	.Students will learn about a map, types of maps, how to read a map? What is a compass?	Interactive +constructive+ Fun Reading ,learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Draw the sketch of the root of your school from your house showing five land marks.	PPT
JANURARY -27	Shelter For Everyone	Students will learn about houses Then and Now, materials used for , different types of houses	Interactive +constructive+ Fun Reading, learning spelling, word meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Make a model of your favourite type of house with the help of clay	PPT
	Understanding Local Institutions	Students will learn about market , post office , panchayat, municipal office, police station	Interactive +constructive +Fun Reading and meanings, worksheets. Storytelling	Worksheets Notebooks Activities (dictation, revision tests).	Involvement Interactive Constructive Creative Neatness	Create a collage in you notebook showcasing how you use different local institution	PPT
